LED Disco Light

Rotating LED disco light with the ability to play music. Please follow the instructions included for full use of the disco/music abilities. Product comes with a small remote, please keep out of reach of children. The LED light creates a visual and auditory sensory response that is suitable for all ages.

Bubble Tube:

Just fill with water and watch the added fish and baubles float around in the bubbles gently changing colour.

Aromatherapy Diffuser

LED colour changing diffuser with 8 essential oils. Frankincense, Sweet Orange, Lemongrass, Tea Tree, Peppermint, Rosemary, Eucalyptus and Lavender. Please follow instructions included for use of the light and the Essential oils dilution chart. Please keep out of reach of children. A diffuser helps create a calm and relaxed atmosphere while the gentle light stimulates a visual sensory response.
